Customized Sales Training for Growing Businesses

Next Level COACHING

THE NEXT BREAKTHROUGH IN YOUR BUSINESS STARTS HERE

Are you tired of single percentage revenue increases and slow growth? Are you tired of employees and staff blaming the economy? Or maybe you're thinking of selling your business down the road and you want to maximize that opportunity. Whatever the case, whether you're looking to go from 250K in sales to 500K, from 500K to 1 Million ***or more***, the Next Level Coaching program is for serious owners ready to make change happen and maximize success starting now.

Built on a proven process that I've refined with customers over the last three decades, Next Level Coaching is a commitment that will take your business to the next level.

About Sales Training by Design, Inc

“I worked with Patrick as a columnist and consultant during my tenure with PMP Magazine, and I found his work ethic and enthusiasm to be exceptional. Patrick is passionate about sales, and his ability to inspire sales people is terrific. If you are looking to inspire your sales team, you would do well to hire Patrick to present a seminar.”

Frank Andorka
Editorial Director
Formally with Pest Management Magazine

“If you want Sales Training - its Patrick! If you want Strategic Planning & Coaching - its Patrick! If you want growth in sales - its Patrick!!!”

Tom Algeo
Regional Sales Manager
Residex

I am writing to recommend that anyone thinking about hiring Patrick Quigley from Sales Training by Design should take action immediately! I was delinquent in signing Patrick on and over the years have seen companies that he works with grow at a higher pace than my company. After engaging Patrick's consulting and coaching services I quickly realized that his efforts have kept us focused and has made us more successful and efficient. The process in which he helped us handle our lead flow has increased our results 40 - 50% this past year. I highly recommend any company that wants to grow their business hire Patrick Quigley from Sales Training by Design today!

Bill Kisch
Trius Pest Management

I'm Patrick Quigley, founder of Sales Training by Design, Inc. Whether you're an owner, manager, sales rep, CSR or technician in the field my job is to help motivate and inspire you to meet and exceed your goals in our industry. I've spent more than three decades in Pest Management and come highly qualified to help you solve your greatest challenges. Right now, PMP's - just like you - are investing in my consulting, sales training and business coaching solutions to make more money in less time, dominate their local marketplace and position themselves for massive success.
